AGE 7 +

**Do-it
yourself manual**

Dear Friends !

Zephyr brings yet another International class engineering set of Mechanix for you.

To have fun & learn.

This set contains

155 pieces,

crafted from high quality Steel, which are powder coated, superior plastics

&

selected tools

which will be

friendly to your

little hands so that

you have fun

while creating

various models.

You can use these parts

over & over again

to create at least

20 models and

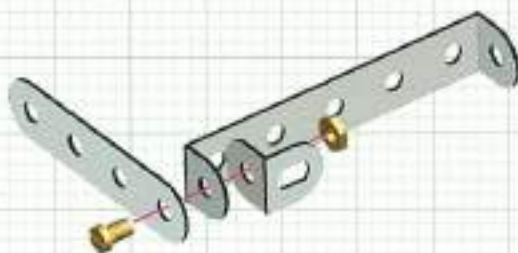

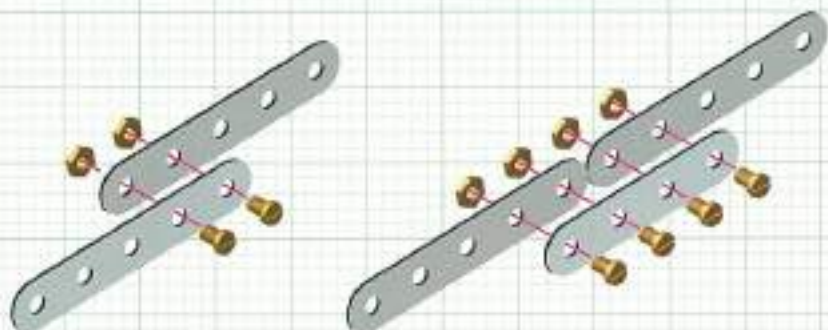

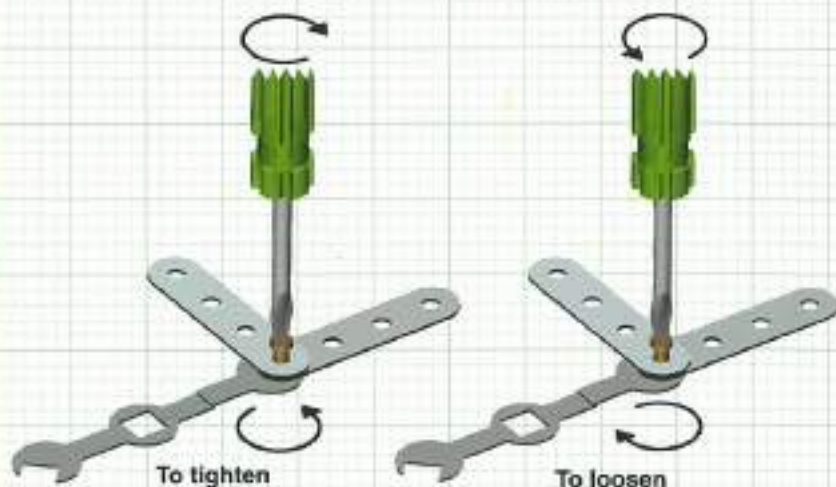

may be many more

as far as your

imagination flies.

So come on get started!

Awarded

"The Best Toy" & "The Best Educational Toy"

by The All India Toy Manufacturers Association

That fresh smile and laughter, giggles and chattering of the little kids are one of the most refreshing happiness that touches the heart. Like the cool evening breeze on the rise that refreshes the soul of a worked up being.

That is what Zephyr is all about and about quality, in the true sense of the word. Quality of play, quality of education and quality of products.

We bring you a whole range of play and educational toys of international standards that undergo through the strict quality control of the Zephyr family itself.

Our kids have won quite a few awards and Meccanix is our star set that has won "The Best Educational Toy" and "The Best Toy" award at the TAITMA.

We do not do business, at Zephyr's we befriend children. A smile on your child's face is our gain.

love
