

Do-It Yourself manual

Dear Friends !
Zephyr brings
yet another
International class
engineering set
of Mechanix for you.
To have fun & learn.
This set contains
180 pieces,
crafted from high quality
non-toxic plastic
&
selected tools
which will be
friendly to your
little hands so that
you have fun
while creasting
various models.
You can use these parts
over & over again
to create at least
15 models and
may be many more
as far as your
imagination flies.
So come on get started!

That fresh smile and laughter, giggles and chattering of the little kids are one of the most refreshing happiness that touches the heart. Like the cool evening breeze on the rise that refreshes the soul of a worked up being.

That is what Zephyr is all about and about quality, in the true sense of the word. Quality of play, quality of education and quality of product.

We bring you a whole range of Zply and educational toys of international standards that undergo through the strict quality control of the Zephyr family itself.

Our kids have won quite a few awards and Mechanix is our star set that has won "The Best Educational Toy" and "The Best Toy" award at the TATIMA.

We do not do business, at Zephyr's we befriend children. A smile on your child's face is our gain.

love
